“VIP” Program

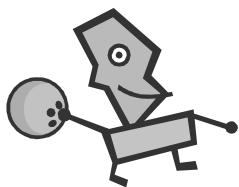

What is the “VIP” Program?

Simply said, the Beaver-Vu Bowl “VIP” Program is a no-cost rewards program for Beaver-Vu Bowl patrons. Points are earned each time you bowl and when you make purchases in our Pro Shop. The more points you earn, the bigger your discount. **Points = money!**

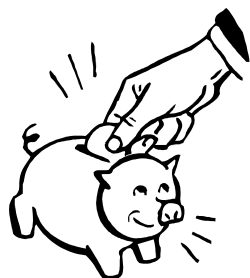

Sounds good. Tell me more!

Join a league and earn 1000 points. Join more than one league and we’ll give you 1500 points for each additional league. Spend a buck on open bowling or Pro Shop items and you’ll earn one point for each dollar spent. Birthday parties & office parties earn points, too. Points add up quickly and so do the discounts.

What can I get with my points?

2 things. Discounts up to 70%* on “open” bowling. Plus, an invitation to special events conducted by Beaver-Vu Bowl throughout the year exclusively for VIP-members like you!

Sounds great. How do I sign-up?

Come in to get all the details and fill out a simple application. We’ll give you a VIP membership card on-the-spot so you can enjoy immediate savings. Remember, there are no costs associated with VIP membership and we’ll give you 500 points just for joining!
